Motion to adopt budget James Radicella and seconded by Marilyn Rizzo
All in favor

Valerie explained that the budget meetings are not long this year because the increase is due to high raise in our insurance and inflation, nothing to do with Board decisions.

Valerie informed us that the date for the annual meeting will be changed because the room that we reserved is not available following a miscommunication between Club House & Seacrest.

The Cambridge G Condominium Association Annual Meeting will probably be held on or around January 18th 2023 either at the Club House or at Le Club.
